17. **DOGS IN VEHICLES ON HOT DAYS:**
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - 1) When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - 2) If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - 3) The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - 4) Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - 5) When at the show never leave your dog in the vehicle
 - 6) Keep the dog in the shade - take your own shade, eg. a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - 7) Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
18. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog (s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under The Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Kennel Club. This shall apply at the venue of within the precincts of the show.
19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
20. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
21. **Animals Allowed in Show:** No animal other than one officially entered shall be brought into the precincts of the Dog Show during its continuance, except any dog registered to assist the disabled or dogs required for educational or instructional purposes, or by permission of the General Committee.

22. The Committee reserves to themselves the right to refuse any entries they may think fit to exclude nor will they be held responsible for any misprints in the catalogue
23. All dogs must be transferred at the Kennel Club before the closing date of entries.
24. All entries must be accompanied by the full amount of entrance fee. Entries will not be refunded under any circumstances.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (B)

1. These Regulations must be observed when a dog is prepared for exhibition for any Kennel Club Licensed event. (a) Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action Kennel Club Rule A11. (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2. (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show. (b) Any other substance (other than water) which may be used in preparation of the dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:- (a) Operations certified to the satisfaction of the Board. (b) The removal of dew-claws of any breed. (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these regulations must be made in writing to the Show Secretary or his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on Days considered as slightly warm.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

SOFT CRATES

The Kennel has asked that we draw your attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at the ringside.

We therefore ask that if you use soft crates, you do not leave the dogs unattended either in the hall, or in an open car in the car park.

IDENTIFICATION OF DOGS

It is now a Kennel Club requirement that exhibitors display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages, etc are not on benches, and at unbenched open shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

This requirement follows a meeting of the Show Executive Sub-Committee's Benching Working Party, where it was agreed that it is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a passageway

CHEQUES

The Society name must be written in full or your cheque will be returned.

The banks are now scanning cheques as you pay them in. Cheques that are not written using black ink, or don't have the society name written in full, will be rejected. Failure to follow the above criteria means your entry will be returned.
